RECOMMENDED SKILLS & KNOWLEDGE

This course is aimed at experienced workers who are in fulltime or part time employment and have completed a vocational level 2 certificate or higher qualification. The trainee should be familiar with writing routine reports, such as handover notes and maintenance reports, clarifying work instructions, communicating with team members about routine operations, working in accordance with workplace safety standards, reporting hazards and obtaining permits. If you do not have the recommended skills and knowledge please contact ERGT.

STRUCTURE & ASSESSMENT

This course is delivered through classroom presentations, activities and participant discussion as well as practical components within a simulated workplace environment using specialised equipment. Trainees will demonstrate their competence through direct observation, oral &/or written assessment & practical exercises.

CERTIFICATION

Upon successful completion trainees will be issued with a Statement of Attainment in:

RIIWH202D Enter and work in a confined space

SKILLS MAINTENANCE

In alignment with industry expectations and to ensure ongoing competence and capability ERGT recommends skills maintenance be conducted every 2 years.
