TRAINEE / VISITOR COVID-19 SELF-ASSESSMENT

The health and safety of ERGT's trainees, visitors, staff, and partners is always our highest priority.

If you are booked to attend training or are planning to visit ERGT in the coming days, you will be required to fill in a declaration form upon arrival, answering the following questions.

Please take a few moments to review the following questions before arriving at one of our facilities.

If the **answer** is **YES** to any of the below questions, please **DO NOT ARRIVE** at our centre, instead please contact us at **1300 374 828**, and we will find a solution to meet your essential training.

1	<p>Have you travelled from overseas in the last 14 days?</p> <p>If you have been travelling overseas, and returned to Australia, you will be required to self-isolate for 14 days. This applies to all travelers, including Australian citizens.</p>
2	<p>Have you travelled from a declared hotspot in the past 14 days?</p> <p>If you have travelled interstate from a COVID-19 Hotspot, certain restrictions may have been imposed by the State or Territory government at your destination. These restrictions may include 14 days quarantine or self isolation.</p> <p>Note: If you answer yes to this question you may be required to have a letter from your employer stating you are an essential worker to continue training.</p>
3	<p>Have you been in contact with someone who is suspected or confirmed to be ill with COVID-19?</p> <p>"Contact" means you have provided care or had other similarly close physical contact with the person, stayed (e.g. lived with, visited) at the same place as the person, or have had direct contact with respiratory secretions and body fluids of the person.</p>
4	<p>Have you had a COVID – 19 test recently and you are still awaiting the results?</p> <p>Or</p> <p>Do you have any common symptoms of COVID-19: fever, high temperature, tiredness, respiratory difficulty and dry cough? (Some patients may have aches and pains, nasal congestion, runny nose, sore throat or diarrhea).</p>

Thank you for your support.
