ENTER AND WORK IN CONFINED SPACES

This course is designed for individuals entering and working in confined spaces (enclosed or partially enclosed) enabling them to perform tasks such as maintenance and servicing.

The course is aimed at experienced workers who are in fulltime or part time employment and have completed a vocational level 2 certificate or higher qualification.

Locations
Duration
Outcomes

Perth, Darwin & Melbourne
1 Day
Statement of Attainment in:
RIIWHS202E Enter and work in confined spaces

Structure and Assessment

This course is delivered through classroom presentations, activities and participant discussion as well as practical components within a simulated workplace environment using specialised equipment. Trainees will demonstrate their competence through direct observation, oral &/or written assessment & practical exercises.

Learning outcomes

The expected learning outcomes for this course are:

- Plan and prepare for working in confined space
- Work in confined space
- Exit confined space
- Clean up

Ongoing Maintenance of skills

In alignment with industry expectations and to ensure ongoing competence and capability ERGT recommends skills maintenance be conducted every 2 years.

Authority / Regulator

The Australian Skills Quality Authority (ASQA) is the national regulator for Nationally Recognised Training delivered by Australia's vocational education and training sector.

ERGT Desired Skills and Knowledge

Trainee's should be familiar with writing routine reports, such as handover notes and maintenance reports, clarifying work instructions, communicating with team members about routine operations, working in accordance with workplace safety standards, reporting hazards and obtaining permits. If you do not have the recommended skills and knowledge, please contact ERGT.

Additional Requirements

A health questionnaire and declaration of fitness will be required at course registration. Please contact ERGT for any concerns regarding completion of practical training and assessment requirements and to discuss options for reasonable adjustments.
